

Do you suffer from gout?

Would you like to help us to find out what is the best way to treat flares of gout?

Then you may be interested in taking part in the Treat to target in gout research study (T2T)

The T2T study is looking at the most effective and cost-effective way to treat flares of gout.

If you have gout you may be able to take part

If you would like to find out more information please contact Keele University Clinical Trials Unit on 01782 732950 or email:

sch-tr.t2tgout@nhs.net

This study is funded by the National Institute for Health Research (NIHR) Health Technology Assessment Programme (17/82/02). The views expressed are those of the author(s) and not necessarily those of the NIHR or the Department of Health and social care.
